The screenshot displays the Canvas Rich Content Editor interface. At the top, there is a title bar for "Lecture Video 001" and an "HTML Editor" button. Below the title bar is a rich text toolbar with various icons for text formatting (bold, italic, underline, text color, background color, text size, bulleted list, numbered list, link, unlink, insert link, insert video, insert audio, insert image, insert table, insert code, insert HTML), a paragraph dropdown menu, and a font size of 12pt. The main content area is a white dialog box titled "Panopto Recordings" with a close button (X) in the top right corner. Inside the dialog, there is a dropdown menu showing "Default Term - Testing-Long He". Below the dropdown are three tabs: "Choose", "Upload", and "Record", with the "Record" tab selected and highlighted in green. The "Record" tab contains a filmstrip icon with a speaker, a text input field with the placeholder text "Enter a name", and a "Record" button with a red dot. At the bottom of the dialog, there is a link: "Don't have Panopto installed? [Click here to download](#)".
